

I CHALLENGE YOU!

Vaynor First School – Miss Sparkes' Home family challenges

Mindfulness challenge

Kitchen roll patterns

All you need is some kitchen roll and some felt tips and get dotting. What patterns will you make?

Or... grow a rainbow between 2 glasses of water. Draw a rainbow at each end of the kitchen roll then place in the water and watch the rainbow grow!

Camp out Challenge

Can you make your very own lockdown 'camp out' for a sleepover in either your garden or front room? Make a cosy place to sleep, grab some blankets, teddies and some midnight snacks. You could even have a lockdown midnight snack!

Science challenge Glitter volcano

You will need:

- A tall glass or small plastic bottle.
 - A tray to catch the mess
 - Baking powder
 - Vinegar
 - Glitter
 - Food colouring
1. Pop the baking powder into the bottom of the glass/bottle (depending on how big you want the fizz depends on how much you use)
 2. Add some glitter and a couple of drops of food colouring.
 3. Now!!! Pour on the vinegar and watch your glitter volcano erupt.

Outdoor Challenge

Nature Bracelets

You will need:

- Tape of any variety - I prefer the wider, transparent parcel tape but any tape will do!

1. Cut tape so it fits loosely around the wrist.
2. Attach so the 'sticky' part of the tape is facing out.
3. Decorate and enjoy!

EXTENSION

Why don't you create a rainbow bracelet, hunting for something to include for each colour of the rainbow?

Use a wild flower or leaf identification chart to name the flowers and leaves you are attaching to your bracelet.

@MrsBpriSTEM

Recycling challenge

World Environment day- This year it will be on Friday June 5th.

Using recyclable materials, can you produce something new out of something old?

15 Recycled Crafts for World Environment Day

<https://artsycraftsymom.com/15-recycled-crafts-for-world-environment-day/>

Lego challenge

Moveable car

Using Lego bricks and a balloon, can you make a moveable Lego car? Explore how far you can make your car travel. Does the size of the balloon alter the distance?

These are optional home challenges. Hopefully, these will keep you busy and smiling! Take lots of photos to show us and send them to Miss Sparkes on Year2@vfs.endeavourschools.org
