1<sup>st</sup> May 2020

Dear Parents,

Due to the current situation with the Coronavirus and schools being closed, the School Games Organiser has decided to run a sportshall athletics pentathlon as a structured inter school event. This will involve pupils completing 5 sporting activities at home, recording their scores and sending the results back through the MyEd App for a chance of Vaynor becoming victorious.

We would like all children to take part in this event, however only the Key Stage 2 results (years 3 and 4) will be recorded for the inter school competition. Mrs Duggan will run a competition within our school for Reception and Key Stage 1 children.

As well as this being a team event, your child/children's scores will also be recorded individually for an overall winner from the Redditch district.

The events are a 20 x 5m shuttle run, standing long jump, a vertical jump, speed bounce and a target throw. A guidance sheet is attached to show how these events can be completed and scored. When your child/children has completed all 5 events, please record and submit scores on the MyEd App which will be collated for Mrs Duggan who will then send onto the School Games Organiser.

The entry deadline is strictly **9:00am on Wednesday 13<sup>th</sup> May**. We cannot accept any more entries after this date and time.

We hope many of our children will participate in this event and enjoy doing so.

Thank you,

Mrs Duggan  
PE co-ordinator
