

**The Vaynor First School
Redditch West School Trust
Admissions Policy
2017 – 18**

Policy adopted: 5th October 2015

Signed: *Ian Joseph*

Vice-Chair of Directors

Rationale

The Vaynor First School is itself is situated in Headless Cross in Redditch, Worcestershire next to a large middle school, Walkwood Middle. It is an Academy Trust School and as such is its own admissions authority as part of the coordinated scheme with the Local Authority. This means it determines the priorities for admission should the school be oversubscribed through its admissions criteria, (*see page 4*), working alongside the Local Authority and in accordance with their Fair Access Protocol. Each application is treated equally in accordance with our criteria. Being part of the coordinated scheme ensures that each child receives only one offer of a place as the Local Authority coordinates admissions across the county and admission in other local areas such as Studley, in consultation with neighbouring authorities.

The Vaynor First School continues to use the catchment area which pre-dates it becoming an Academy. Your child's catchment school can be obtained via the admissions tab on the Worcestershire website. A map of the catchment area is also available at the school office.

Visiting The Vaynor First School

The school appreciates that parents need to choose their first, or subsequent school, carefully. To aid parents in this process the school offers an Open evening in the early Autumn Term and two Open Mornings to see the school in action. Please see our website or phone the school for confirmation of the dates for these. Additionally, there may be times when parents may wish to apply at other times of the school year and again, please contact the school for an appointment.

Pupil Admission Number (PAN)

The Pupil Admission Number for 2017-18 reception places is 90, organised into three classes. Children will be admitted to the school in the school year in which they will be 5 years of age, which is from September to September.

The Pupil Admission Number for year groups 1 -4 is also 90 per year group.

The Application Process

Prior to applying for a place so all parents are ***strongly advised to read 'The School Admissions Booklet and Guide' for the relevant year*** which is available through the admissions tab at www.worcestershire.gov.uk Although we would hope all applicants receive a place at The Vaynor, parents are strongly advised to name three schools on the form as should the school be oversubscribed the LA will assign a place at the nearest school with available places.

All parents living in Worcestershire wishing to send their child to The Vaynor First School will need to complete the Common Application Form an online form, which can also be found on www.worcestershire.gov.uk in 'admissions' or a paper copy can be received via Tel: 01905 822700.

If a parent living outside of Worcestershire wishes to apply for a place at the school they will need to apply on their own authority's application form, who will ensure their details are passed onto Worcestershire Local Authority for consideration.

The closing date for applications received at Worcestershire County Council, or the parents local authority if this is different from Worcestershire is **15th January 2017**.

Procedures following Application

Any applications submitted to the home Local Authority naming The Vaynor First School in any order of preference will be forwarded to the school. The Governing Body will rank all applications against the published Admissions Criteria (*see page 4*) according to the information given by parents/carers on the application forms. Any forms received after the deadline above will disadvantage any application should the school be oversubscribed.

Applications will be sorted in descending order according to the Oversubscription criteria below. This list is returned to the LA for the coordination of all parental preferences for places to be allocated, according to the school where their child's name is the highest on the list of subscription lists. If it is possible to offer a place at more than one school, then the final offer will be for the school identified as the highest preference.

Parents will be informed, by offer email by the LA on behalf of the Governing Body, on **16th April**. If parents named The Vaynor but were not offered a place they will be advised of their right to appeal against this decision, with the offer letter. Appeals will be heard by the end of the summer term 2017 (*see further information on page 5*).

Parents/ carers must complete and return the acceptance slip contained within the offer letter as soon as possible, but within **2 weeks**, indicating whether they are accepting the place at The Vaynor.

If you wish to withdraw your application for any reason, or wish to decline an offer of a place at The Vaynor you must inform the Headteacher and Pupils Admissions and Transfers at your home local authority immediately in writing.

Late Applications

Late applications received after the closing date will be given the lowest priority, no matter which criteria point they meet unless:

- A family has moved into the catchment area of the school, in which case a copy of the solicitors letter or tenancy agreement will be needed to evidence this
- There were exceptional circumstances that caused the delay, agreed by the Governing Body, evidence of these circumstances may be sought

Timeline for Reception Admissions Process

September 2017	The online application process will open in Worcestershire www.worcestershire.gov.uk . For other LA's please see their websites
15th January	The closing date for applications
28 th February	Last date at which Late Applications can be considered by the Governing Body as to whether application to be treated as Late or on-time
16 th April	LA to send out all offers, on behalf of the Academy's Governing Body.

Age of Entry to School

All children must legally be in school by the term following their fifth birthday. It is usual for **all** children to start The Vaynor First School in the September after their fourth birthday mostly full time. We appreciate that parents know their children better than we do so parents may choose to defer the date their child is admitted until later in the school year. In this case the later entry cannot be past the point when the child reaches the age of five, nor past the beginning of the final school term (the summer term). Alternatively, your child may attend part time, but again not beyond the point at which they reach compulsory school age. Please talk to the Headteacher regarding this if you feel either of these latter options applies to you and your child.

Should parents of a child who would be 5 years of age in the summer term choose to defer their start at school until the September after they are 5 they may request that they are admitted out of their normal age group, to Reception rather than Year One. In the case of applications to Reception it would need to be by January 15th or in the case of Year 1 application would need to be at the end of May until July. This will require the Headteacher to make an educational assessment to determine whether or not it is appropriate for the child to delay or accelerate their entry into school and be taught outside their chronological age. This will enable the admissions panel to fully reflect the facts presented in deciding whether or not to grant the application as part of the normal admissions round for the year.

Parents may also seek a place for their child outside of their normal age group, for example, if the child is gifted and talented or has experienced problems such as ill health. We would strongly advise parents to talk to the Headteacher about these matters at their earliest opportunity so that timelines between all parties are clear.

How to apply for year groups other than Reception, or for in year admissions

A parent can make an application to The Vaynor First School at any time, however places can only be allocated if the Pupil Admission Number is not full. The PAN is 90 for all year groups.

As with applications to the new intake classes, The Vaynor First School asks parents to complete the Standard Application Form, found online at www.worcestershire.gov.uk or for a paper copy via Tel: 01905 822700 and forward it directly to the school.

Once the application is received at the school, parents will be notified of the decision whether to admit or not within 10 school days. The Local Authority will also receive notification of this decision.

If more than one application is received at the same time for the same year group, each application will be assessed in accordance with the admissions criteria. Parent's will be notified of the decision, and if refusing

the place, will be offered the right of appeal. All appeals must be made in writing to the Governing Body of The Vaynor First School **within fourteen days of receipt of notification**.

For In-year applications, appeals will be heard within 30 school days.

Waiting Lists

The Vaynor First School operates a waiting list for any oversubscribed year group according to the following circumstances:

1. Parents will notify the school in writing that they wish their child to be placed on the waiting list for the relevant year group.
2. The school secretary will keep any such list, updating it as required. The information on the list will include the parent/guardian name(s) and contact details, including telephone number and email address (if available). It will also include the child's full name, date of birth, permanent home address, details if looked after by the local authority and present school (if applicable). Also the name, date of birth and year group of any sibling(s) on roll at The Vaynor.
3. At the beginning of each term following being placed on the list, parents need to notify the school in writing that they wish their child's name to remain on the waiting list. Failure to do so will result in the name being removed.
4. As places arise, the school will contact parents, according to the priority on the list, to allocate the place. Should the place no longer be required, the place will be allocated to the next name on the priority list.
5. Parents will **not be informed** of their place on the waiting list, as this can change as new people join the list and others leave thus changing the priority of a child.

Admissions Criteria

The purpose of the published admissions criteria is to give everyone a fair and equal opportunity to apply for a place at the school, in line with the Local Authority's Fair Access Protocol. At The Vaynor First School the following criteria will be applied to all applications if they are in year or for the new intake. This ensures that should there be a case of oversubscription all applications are treated the same:

1. Relevant 'Looked after' and previously 'looked after' children – these are children currently or were previously in the care of or accommodated by a Local Authority under the terms of the Children Act 1989. In the case of those previously looked these are children who were previously in the care of or accommodated by a Local Authority but immediately after being looked after became subject to an adoption, residence or special guardianship order.
2. Children of members of teaching staff employed by the Trust for at least 2 years up to January 2016 or children of members of teaching staff recruited within the last 2 years to fill a vacancy where there was a skills shortage.
3. Children with a sibling on roll at the time of application - the sibling must be attending the school at the time of entry for the younger child. A sibling is defined as a full, adopted half or step brother or sister living at the same address.
4. Children living in the school catchment area (this can be viewed at the school office) - this is defined as the address where the child is normally resident. In cases of shared custody the school

will need to see the terms of the residency order to clarify the home address. Where there is no residency order, school will consider that residency is with the parent who has primary, day to day care. In this case evidence of where the child benefit is paid and where the child is registered with a GP may be required should there be any disputes.

5. Distance as measured by the shortest route as measured on the Google maps for walking from the Main gate on Tennyson Road B97 5BL to the pupil's home address.
6. In cases of equi-distance places to be allocated by random lottery, supervised by an independent source.

A child whose Education, Health and Care plan names The Vaynor First School will be offered a place at the school.

In the case of twins applying where there is a vacancy for one twin, the Governing Body will offer a place to the other twin, though they will not be placed in the same class.

All Early Years and Key Stage One classes are limited to a class size of 30 by law. However, there are exceptional circumstances where this can be exceeded. These are:

- The child has a statement or Education, Health and Care Plan admitted outside the normal admission round
- If the child is a relevant looked after child, or previously looked after child admitted outside the normal admissions round
- In circumstances of a procedural error made by the admission authority or local authority in the original application process
- The child has been admitted after an independent appeals panel upholds an appeal
- If the child moves into the area outside the normal admissions round and there is no other available school within a reasonable distance;
- The child is of a UK service person admitted outside the normal admissions round provided this is accompanied by an official letter regarding their relocation
- The child is from a multiple birth and the sibling has been offered a space as there is a vacancy

Appeals

All parents have the right to appeal the decision not to admit their child to The Vaynor First School. Appeals must be made in writing to the Chair of the Governing Body, c/o The Vaynor First School, Tennyson Road, Redditch, B97 5BL stating the child's name and date of birth, their own name and the year group they are appealing for. However, although parents have a statutory right to appeal against the refusal of a place at a school for which they have applied, this right does not apply if they are offered a place at the school but it is not in their preferred age group.

The school uses an Independent Appeals Panel to manage its Appeals on its behalf. Appeals letters will be acknowledged, and the chance to put concerns in writing with evidence will be offered. Further notification will be received of the hearing date and parents will receive paperwork regarding the appeal in line with statutory requirements at this time. Parents will be invited to attend the appeals hearing to state their case in person. The school and parents will be bound by the decision of the appeal panel to admit or not.
