

7<sup>th</sup> July 2025

Dear Parents and Carers,

As you will be aware, on 17<sup>th</sup> and 18<sup>th</sup> June 2025 we were visited by His Majesty's Inspectors for a graded Ofsted inspection under section 5 of the Education Act 2005.

We are delighted to now share the inspection report with you all and to announce that The Vaynor has further improved upon the last inspection in 2020 and has received the following gradings:

<b>The quality of education</b>	Good
<b>Behaviour and attitudes</b>	Outstanding
<b>Personal development</b>	Good
<b>Leadership and management</b>	Good
<b>Early years provision</b>	Outstanding

We are so proud of this report and the remarkable achievements of our children and our staff team. The inspection has truly highlighted the exceptional qualities that make our school a special place to learn and grow.

We are particularly pleased that the inspectors recognised our Vaynor family spirit, "Staff foster highly positive relationships between the school, its pupils and their parents and careers. Pupils are exceptionally well mannered and polite to each other and to visitors." This feedback perfectly reflects our school values and the nurturing environment we work so hard to maintain.

We cannot thank you all enough for your support and your belief that The Vaynor is the right school for your child. The parental feedback from the Ofsted survey was overwhelmingly positive and we are truly thankful for such a wonderful community that values the education we provide.

We have attached a full copy of the report for you, it will also be published on both the Ofsted website and our school website.

Yours Sincerely,

Helen Colcombe  
Headteacher
