'Inspired to be the best that I can be'

Dear Parent/Carer,

Our school milk scheme

As you may be aware School milk is free for under-5s, and for over-5s it is available at a subsidised price. Our provider, Cool Milk process all of the milk orders and therefore should you wish for your child to receive milk you will need to register them on line.

Each child that registers with Cool Milk will receive a 189ml portion of semi-skimmed milk every day, delivered fresh and chilled to the classroom. Their school milk will not only provide them with essential nutrients, but as it is rehydrating and energy boosting it also bridges the gap between breakfast and lunch to help children stay focused. For more information on how milk can benefit children visit www.coolmilk.com/why-milk-is-great.

How to register

If your child is under five:

- Register online at www.coolmilk.com by a Tuesday at 5pm for your child's free milk to start the following week
- Free milk will continue until the Friday before your child's fifth birthday. You will receive a payment request four weeks before their birthday - if you wish your child to continue to receive school milk, simply make a payment

If your child is five or older:

- Register and pay online at www.coolmilk.com by a Tuesday at 5pm for your child's milk to start the following week
