Where Can I Find My Child's Homework?

[Home](#) > [Homework](#)

In a Homework MyCity folder, you'll find content your child's teacher has set for your child to complete at home. Keep an eye out for these icons:

'LOCK' ICON

A lock means that the Homework is sequenced, so your child must complete content in the order set.

'FLAG' ICON

A black and white flag on the last piece of content means your child has completed that Homework MyCity.

'DUE' ICON

A clock means that the Homework MyCity needs completing for a certain date.

Where Do I See My Child's Progress?

[Home](#) > [Scores](#)

MySuccess is a great way to track your child's progress. Here, you can view Activity and Assessment scores your child has achieved so you can keep up-to-date with their learning both in the classroom and at home!

How Can I Help My Child Improve?

[Home](#) > [Revision](#)

MyRevision is fantastic for supporting your child with improving Assessment scores. If less than 100% is scored on most assessments, a personalised Revision Journal will be created. This will include Activities and Learn Screens which focus on areas of improvement.
