

I CHALLENGE YOU!

Vaynor First School – Miss Sparkes' Home family challenges

Resilience and mind-set challenge

Have you ever tried to build a tower out of a pack of cards? Well today is the day to try. You will need a pack of cards and a lot of patience. You will need to show our Vaynor Superpower of resilience and creativity to complete this challenge! Don't give up!

How tall can you build your tower?
Can you make different designs?

Outdoor Challenge

Stargazing challenge

Find a used kitchen roll tube and wrap a piece of card around it. Tape the outside cardboard roll so that it can slide. You can decorate it if you'd like. Use your telescope to look at things really closely. What can you see through it?

Set up a cosy space outside to do some stargazing as a family. What can you spot? Can you name any constellations?

Family challenge

It's time for a movie night. Can you make the sofa a snuggly place to be? Grab some blankets, teddies and get ready for a movie night. You could make tickets for your movie night, make your own snacks or draw posters of the film you are showing.

You could even write a film review for your movie or a poster to promote it.

Science Challenge

Design and make a paper aeroplane that will travel the furthest. Does changing the design or material used change how far it will fly? You could have a family competition and measure how far each plane flies. What equipment will you use to measure the distance?

Extra challenge- make a target landing strip- can you land your plane on it?

Lockdown challenge

For this task you need to help your grown ups with the odd socks in the house! Can you pair all the socks in your house and then with the odd socks make a new creation?

You could play sock hockey, sock basketball or sock tennis. You might make a sock puppet or model.

Lego challenge

You are only allowed to use one cup of Lego. Grab a cup, scoop up 1 cup of Lego.

What can you make?

Remember to be as creative as you can! Perhaps you could try different sized cups, does this make a difference?

These are optional home challenges. Hopefully, these will keep you busy and smiling! Take lots of photos to show us and send them to Miss Sparkes on Year2@vfs.endeavourschools.org
