

# THE MAGIC CUP GAME

---

This classic game makes a fun memory exercise with just two household items.

## To play

Place three identical, plastic cups in a line on the table, rim down.

Place a pom pom or small rubber ball under one cup, allowing your child to see which cup the pom pom/ball is under.

Shuffle the cups around by sliding them across the table, switching their positions quickly back and forth and all around.

Once you have stopped moving the cups ask your child to identify which cup the ball is now under.
