

# Missing Letters

Missing letters is a technique used to help improve the visual sequential memory.

Write a problem spelling with one letter missing each time. The child must say each letter in the word, on each line and fill in the missing letters.

Example - Saturday

\_ a t u r d a y

S \_ t u r d a y

S a \_ u r d a y

S a t \_ r d a y

S a t u \_ d a y

S a t u r \_ a y

S a t u r d \_ y

S a t u r d a \_

S a t u r d a y
