Phonics/Reading	WORLD BOOK DAY	Phonics/Reading
Go to Education City and complete the 'Luke the Duke' activity. Once you have done this, complete the worksheet provided to practise the 'u-e' split digraph. After that, you could play the 'U-e spelling game' too!	Watch the assembly with Mrs Dunstan on Tapestry The Vaynor Masked Reader Competition Some of the teachers have read the story the Wonkey Donkey by Craig Smith. They have disguised their voices and their faces. Watch the video of The Vaynor Masked Reader. After you have watched the video, please complete the grid, and predict which teacher is behind the mask.	Go to Education City and complete the 'On Cue' activity. Listen/read the sentences and choose the correct word to complete the sentences. Once you have done this, complete the 'On Cue' activity sheet. Read the sentences carefully and answer the questions.
	Phonics/Reading	
	Today you are going to have a go at doing a phonics screening check. Go on Education City and complete the phonics screening check activity. The children will be shown a mixture of real and alien words to read. They get one attempt to sound it out and read it correctly. If your child recognises the sounds and reads it correctly, press the green button. If they struggle with the word, press the red button. Try and encourage your child to spot the digraphs we have learned in each word and use their robot arms to sound out.

Today we are going to recap spelling the days of the week ready for your return to school! Go to Education City and complete the 'Nothing but Net' activity. Once you have done that, complete the	Today is World Book Day! We are going to be looking at the book called 'Journey' by Aaron Becker. This is a wordless story about a little girl and her adventures.	Today we would like you to think about everything you have learned about penguins and create a fact sheet or a poster to help Oliver look after his penguin.

activity sheet. Reorder the letters to correctly spell the days of the week.	Go to Tapestry and watch today's English video to see Miss Heath talking more about the story. Imagine you were bored at home and you decided to draw a magic door. Where would your door lead you? Draw a picture of what would be behind your magic door and then write some sentences to describe what it would be like. You could tell us what it looks like and what you would do there. Don't forget to use adjectives!	Watch the English video on Tapestry for more information and ideas. You can split your facts into different categories, you can draw pictures or diagrams with labels, or you can just write as many facts about penguins that you can remember. Please be as creative as you like and don't forget to post your photos onto Tapestry for us to see your fabulous work!
Maths	Maths	Maths
Today we are going to practise counting in 2s. Listen to 'The Counting by Twos' song on YouTube https://www.youtube.com/watch?v=GvTcfSnOMQ Next, go onto Education City and watch the Learn Screen called 'Coast to Coast'. Then complete the 'Counting in 2s' activity worksheet.	In our story today, the little girl goes on many adventures. One of the places she visits is a castle. For maths today, we would like you to create your own castle out of 2D shapes. In your packs is a 2D shape mat, see if you can create a castle using as many of the shapes as possible. You can do this by cutting out different shapes or by drawing them. You could make a tall, short or wide castle, be as creative as you like! In your packs there are also some examples of some shape castles to give you some ideas. If you want to you can recreate one of the castles in the pack by cutting out the shapes and copying the design. When you have made your castle, you can then colour it in, add some detail and count how many of each 2D shape you have used.	Today we are continuing our learning of counting in 2s. Log on to Education City and complete the activity called 'Deep Discoveries'. Then, have a go at completing the 'Counting in 2s Problem Solving' activity worksheet.

PSHE Emotions- Today we are going to be learning about our emotions. Watch the StoryBots video about Emotions. https://www.youtube.com/watch?v=akTRWJZMksQ Then use the 'Feelings' worksheet to match the different emotions to the different activity. How do you feel when you play with friends or win a prize? You can then have a go at playing the 'Emotions board game' where you need to think about a time when you felt different emotions.	WORLD BOOK DAY Watch the video and learn to draw a hot air balloon etc https://www.youtube.com/watch?v=unNTAZDH_DQ&feature=emb_logo As we are looking at the story 'Journey'. You are going to design a magical world where your door would lead, just like the girl in the story. Create and colour your world. Then cut open the door template and attach over our picture so that when you open the door it reveals your imaginary world. You could then put this around your house so you can escape into your imaginary world when you get bored.	PSHE Today we will be continuing to learn about our emotions. Start by watching the 'Guessing the Feelings' video on Youtube. Watch the clips and guess how the girl is feeling. https://www.youtube.com/watch?v=dOkKyVEnSs. Then complete the 'How do you feel' activity by drawing the different facial expressions for different emotions. Finally, have a think about what makes you feel happy. Complete the 'Things that make me happy' activity, by drawing the different things that make you feel happy.

Counting in 2s - Problem Solving

Lola has been counting backwards in 2s.

38, 36, 34, 32, 30, 29, 26, 24...

What mistake has she made?

When counting in 2s from 0, the tens digit will always be 0, 2, 4, 6, 8.

Is Om right? Show how you know.

A camel has 2 humps.

How many humps do 12 camels have?

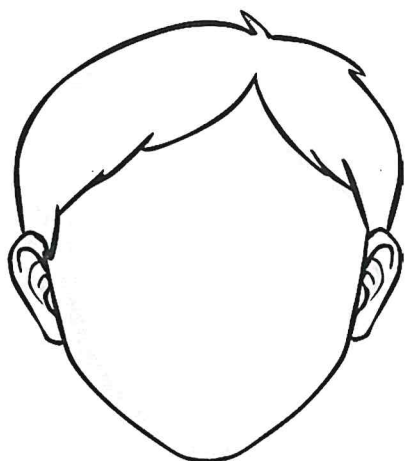

How many pairs? How many left over?

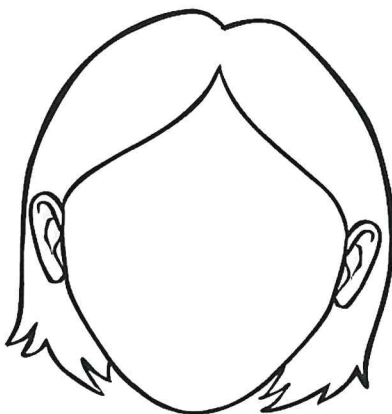

Make up your own problem with pairs of boots.

How Do You Feel?

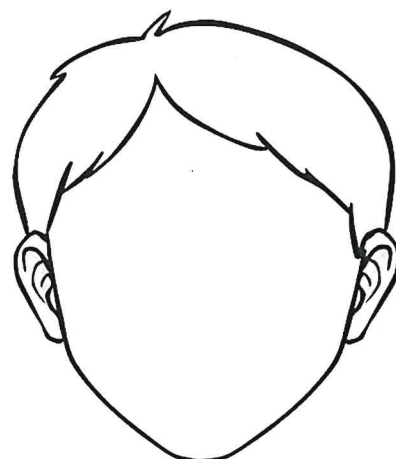

Draw a face for each emotion.

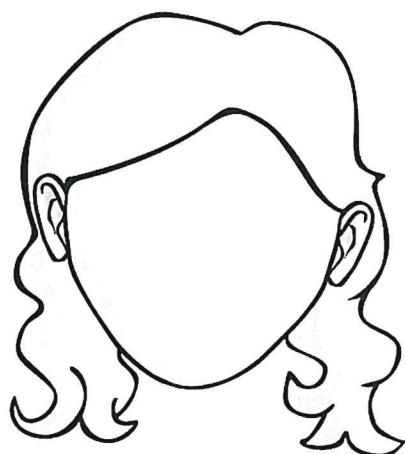

I'm sad.

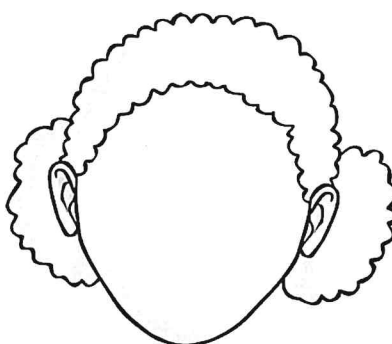

I'm angry.

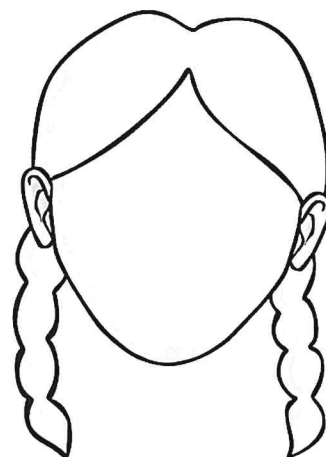

I'm unwell.

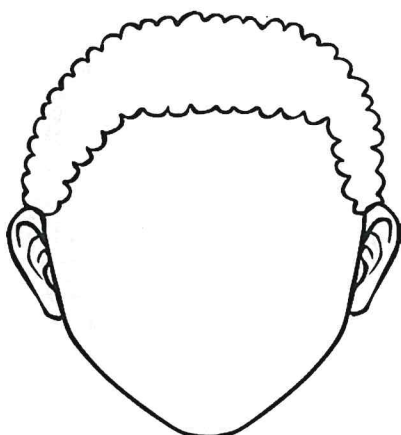

I'm afraid.

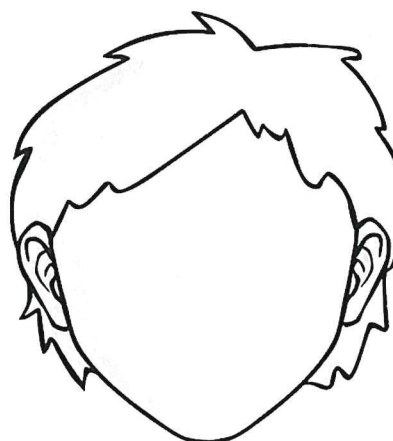

I'm happy.

I'm excited.

I'm tired.

I'm sleepy.

Things That Make Me Happy

What makes you happy? Have a think and talk about your ideas with a grown-up and your friends. Draw an idea into each thought bubble – you can draw a smiley, happy picture of you too!
