KS2 PERSONAL CHALLENGES

The daily mile is well underway now in three KS2 classes, the children are really enjoying it and their fitness levels have improved. This week has seen KS2 start some 'Personal Sporting Challenges' at lunchtimes, which allows the children to attempt to improve their own performance in an area of their choosing. They are supported by our lunch time sports coach Jordan Jones and some of our Year 4 Play Leaders. A celebration of their achievements will be shared in whole school assemblies.

COURTEOUS & CONSIDERATE PARKING

As we begin the new year, can I please remind people to park with care, respect and consideration for our local residents. I am receiving an increasing number of complaints both regarding dangerous and inconsiderate parking around the school and the poor attitude of some drivers towards residents.
