Issue 5 Spring Term

13th March 2020

Dear Parents and Carers,

I appreciate that this is an anxious time for everyone at present with the current health scare that our country is facing. You will have received a letter today from Mrs Wright, the CEO & Executive Headteacher of our Trust and will receive further communication as and when there is any change in circumstances.

I would urge the remaining 25 parents in our school community that have not yet downloaded or activated the MyEd app to do so as this will continue to be the method of communication regarding school events, clubs, reminders and school closures.

As you will be aware from my letter earlier in the week we have the NSPCC coming into school on Monday to undertake a safeguarding assembly with our children. A copy of our child friendly safeguarding policy is also attached to this newsletter.

The Redditch District Quicksticks Hockey competition took place on Wednesday 11th March at Redditch Hockey Club. We took 13 children and they competed in two teams. The competition consisted of 5 games against other teams from the local area. Team A won every match and team B won 3 out of the 5 matches. We were up against some tough competition and the sports coordinator for Redditch believes it was the highest standard yet. Team A played in the semi-final and won 8-3, this then put them into the final and they won again 7-2. **Making them the reigning champions** and putting them into the Worcestershire Winter Games competition representing Redditch at the end of this month. The children demonstrated excellent school games values of determination, respect, teamwork, passion, self-belief and honesty throughout the morning. Well done Team Vaynor!

Sports Relief

This week the children have been raising money for Sport Relief and our school. All children have participated in The Daily Mile along with fitness circuit activities throughout the day having lots of fun. We also had 272 children take part in the sponsored Dance-a-thon. Thank you to all who sponsored the children. We have raised a fantastic £4636.52, which half will go to Sport Relief and the remaining half will go towards new sports equipment for our children. A massive well done to everybody!

Kind Regards,

Mrs. Sallyanne Dunstan
Headteacher
